

## Winchester Still River Greenway

Anticipated completion: Fall 2003

### Trail Highlights

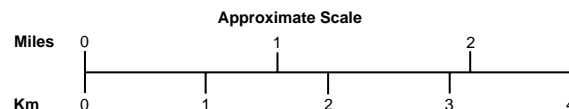

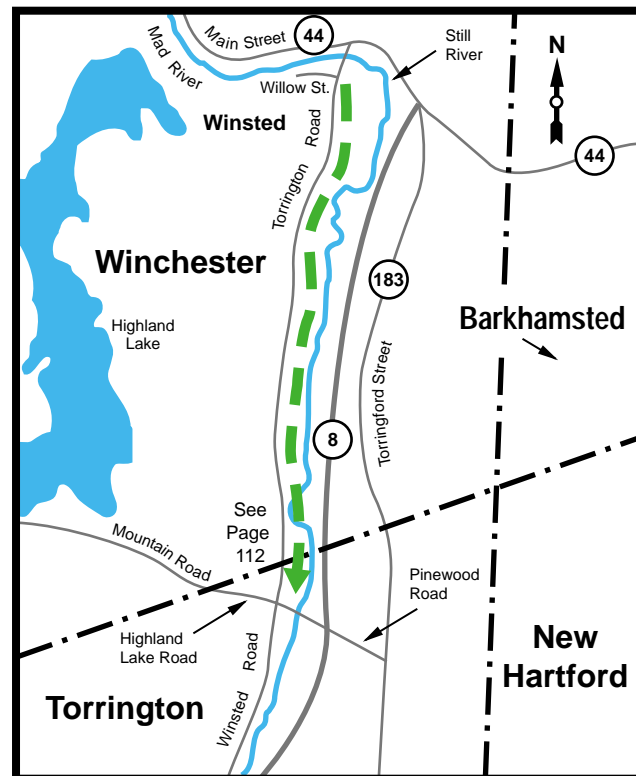

This trail will start at the Winchester/Torrington town line, where it will connect with Torrington's portion of the trail. From this point the trail will run north along the Still River on an abandoned rail bed, and end at Willow Street in downtown Winsted. The completed Still River Greenway will be a total of 4.9 miles, with 2.5 miles in Winchester and 2.4 miles in Torrington.

### Parking and Accessibility

Parking to be determined.

**From I-84:** Take exit 19/20 to Route 8 North. Take Route 8 North until it joins Route 44 and Main Street in Winchester. Take Route 44 and Main Street west for 1 mile, into downtown Winsted. Take a left onto Torrington Road for ¼ mile. Parking is available along the street.
